

## YOU DON'T NEED TO WAIT FOR FOOD-GRADE HOSE TO BE SHIPPED-WE WILL BUILD IT FOR YOU

Has your processing or production line ever been stopped because you didn't have a hose assembly? If so, you know when the need for a real solution to a critical problem is suddenly staring you in the face. You need help, but what can you do? Call us so we can work together to ensure that access to needed assemblies gets your line quickly back up and running. We've done this for many companies and can surely help you too! We're always waiting here to serve you--fast and efficiently.

## TAKE ADVANTAGE OF OUR DECADES OF EXPERIENCE...NOW!!

Do you often need food-grade hoses to keep working areas clean (creamery wash-down, pressure washer, or steam hose)? How about hose assemblies to handle liquid (dairy, brewery hoses) or dry goods (flour, pharmaceutical product)? Or stainless steel tri-clover-type ends and gaskets to connect and disconnect quickly and securely? For any of these, count on **Hose & Rubber Supply** to provide the experience and knowledge to help you succeed.

## LET US HELP ENSURE CLEAN FOOD-GRADE CONNECTIONS

# KEEPING YOUR FOOD-GRADE PROCESSES SAFE, SANITARY, AND MOVING AHEAD

Find peace of mind as we safely help you use essential hoses and fittings in the processing of food-grade products. This includes food, beverage, vitamin, and pharmaceutical products. And, by the way, we appreciate what you and others in your industry do for us. Thank you for the opportunity to serve you and keep your lines safely processing!

## RELY ON US FOR SAFE, CLEAN FOOD-GRADE CONNECTIONS

Keeping connections clean while processing products consumed by people is essential. Hose & Rubber Supply provides the expertise to quickly customize and make your industry's critical components available to you. This includes tri-clover fittings and adapters, stainless steel cam locks, and gaskets of virtually any composition or size.

## KEEPING YOUR ENVIRONMENT CLEAN

Do you need specialty hoses to wash down utensils and containers, a creamery wash-down hose to scour the tile with hot water, a pressure washer hose to remove stubborn product, or a steam hose to clean out tanks? Our fully trained people have the expertise and products to solve the most challenging of these and other critical problems.

## HOSE & RUBBER SUPPLY...WHERE TO GO FOR A BROAD RANGE OF FOOD GRADE HOSE NEEDS

Hose & Rubber Supply stocks and provides timely access to products for bakeries, breweries, meat processing plants, pharmaceutical manufacturers, bottling plants—and more. If your needs include food-grade hose and fittings, Hose & Rubber Supply can keep you clean, safe and processing. Profitably.
